What we achieved from April to June 2026

Core support programs:

Passover – Kimcha dePischa

212 families received assistance for Passover. Total support: **NIS 148,480**.

Pre-holiday sale:

250 low-income families took part in the special sale.

Total project value: **NIS 250,000**.

IDF soldiers:

24 service members received equipment, as well as support for individual requests and humanitarian needs.

Total assistance: **NIS 92,387**.

Pilaf for soldiers:

Together with Leonid Goldenberg, Alexey Demchenko, and Misha Shor, we prepared 1,600 portions of pilaf for soldiers and reservists serving at military bases in northern Israel. Project cost: NIS 20,000.

Emergency response teams (Kitot Konenut):

80 members of civilian emergency response groups operating under the supervision of the Israel Police received support. Total assistance: **NIS 135,132**.

Weddings:

Thanks to your support, the Foundation helped **6 couples**. Total assistance: **NIS 51,305**.

Direct financial assistance:

22 families received direct financial assistance through the Foundation's individual support program. Total assistance: **NIS 293,110**.

Yad Yitzchak Foundation initiatives

In addition to providing direct and emergency assistance to those in need, the Foundation develops long-term initiatives that help new immigrants adapt to life in Israel with greater confidence.

We stand by people not only in times of crisis, but also on their journey toward long-term financial and social stability.

Smart Hased

The **Smart Hased program** provides legal assistance, helps people access benefits and entitlements, and offers comprehensive social support to those facing difficult life circumstances.

The reported results include consultations, submitted applications, and approved benefits. Some of the approved payments will continue to be disbursed to beneficiaries over the coming years.

★ Actual assistance provided in the second quarter, including the first year of newly approved benefits, amounted to **NIS 600 600**.

★ **Confirmed long-term financial support:** over **NIS 56,000**

★ **Potential financial support** from other submitted applications could additionally reach **NIS 198,000**.

★ Program expenses amounted to **NIS 55,691**.

A detailed report on the program's work is available on the — [foundation's website](#).

Financial adaptation: step by step

Financial literacy school “Learn to count again”
